The screenshot shows a window titled 'ReviewForm' with a light purple background. The main heading is 'Leave Us Your Review'. Below it is a dropdown menu with the text 'Please Rate Our Service' and a downward arrow. Underneath the dropdown is the text 'Your Feedback Helps Us Improve !'. Below this text is a large yellow rectangular area for feedback. At the bottom of the window are two buttons: 'Submit' and 'Cancel'. Arrows from the left point to the heading, dropdown, and yellow area. An arrow from the right points to the 'Cancel' button.

DATABASE TABLES

DATABASE

ADMIN TABLE

The screenshot displays the SQL Server Enterprise Manager interface. On the left, the 'dbo.admin' table structure is shown with the following columns:

Name	Data Type	Allow Nulls	Default
id	int	☐	
fullname	nvarchar(100)	☒	
email	nvarchar(100)	☒	
password	nvarchar(100)	☒	
phone	nvarchar(20)	☒	

Below the table structure, the 'Keys' section shows two keys:

- <unnamed> (Primary Key, Clustered: id)
- <unnamed> (email)

The 'Check Constraints', 'Indexes', 'Foreign Keys', and 'Triggers' sections are all empty.

On the right, the SQL script for creating the table is displayed:

```
1 CREATE TABLE [dbo].[admin] (  
2     [id] INT IDENTITY (1, 1) NOT NULL,  
3     [fullname] NVARCHAR (100) NULL,  
4     [email] NVARCHAR (100) NULL,  
5     [password] NVARCHAR (100) NULL,  
6     [phone] NVARCHAR (20) NULL,  
7     PRIMARY KEY CLUSTERED ([id] ASC),  
8     UNIQUE NONCLUSTERED ([email] ASC)  
9 );  
10  
11
```

1.REGISTER

A screenshot of a web application window titled "RegistrationForm". The window has a light blue background and a white border. At the top, there is a title bar with the text "RegistrationForm" and standard window controls (minimize, maximize, close). Below the title bar, the main content area has a light blue background. The title "Sign Up" is centered at the top of the form area. Below the title, there are two columns of input fields. The left column contains fields for "Name", "Phone", "House Number", "Street", and "Postal Code". The right column contains fields for "Email", "Password", "City", and "State". Each field is a white rectangular box with a thin border. At the bottom of the form, there are two buttons: "Back to Login" on the left and "Create Account" on the right. Both buttons are blue with white text.

An error message will pop up if not all information is filled in.

The screenshot shows a web application window titled "RegistrationForm". Inside, there is a "Sign Up" form. The form has several input fields: "Name" (filled with "Nina"), "Email" (filled with "julia"), "Phone" (filled with "017894000000"), "House Number" (filled with "78"), "Street" (filled with "Jalan Tambun"), and "Postal Code" (filled with "543789"). There are also empty input fields for "Password" and two additional unlabeled fields. At the bottom, there are two buttons: "Back to Login" and "Create Account". An error message dialog box is overlaid on the form, stating "All information is required." with an "OK" button.

Field	Value
Name	Nina
Email	julia
Phone	017894000000
House Number	78
Street	Jalan Tambun
Postal Code	543789
Password	
Field 1	
Field 2	

Buttons: Back to Login, Create Account

Error Message: All information is required.

INPUT VALIDATION

An error message will pop up if customer inserts an invalid phone number.

INPUT VALIDATION

An error message will pop up if customer inserts an invalid Gmail address, such as "Julia" and not "julia@gmail.com".

The screenshot shows a web application window titled "Login_Form". The page has a light purple background with the text "Home Care" in a cursive font. On the left, there is a decorative image of various brushes. The login form includes an "Email" field with the text "iulia", a password field with "34", a "Show Password" checkbox which is checked, a "Login" button, and a "Register" button. Below the buttons, it says "First time user? Register Now." An error message dialog box is displayed in the center, stating "Please enter a valid Gmail address." with an "OK" button.

INPUT VALIDATION

A greeting message will pop up if customer logs in.

A screenshot of a web application window titled "LogIn_Form". The page has a light purple background. At the top, the text "Home Care" is written in a purple cursive font. Below this is a large image of various brushes and grooming tools. To the right of the image is a login form with two input fields: "Email" containing "julia@gmail.com" and "Password" containing "1234". There is a checkbox labeled "Show Password" which is checked. Below the password field is a purple "Login" button. At the bottom right, there is a link "First time user? Register Now." and a purple "Register" button. A white modal dialog box is centered on the screen, displaying the message "Welcome, Customer!" and an "OK" button.

INPUT VALIDATION

An error message will pop up if customer not select a package and payment method.
